

PYTECH, a Natural Pyrethrum Metered Spray

After extensive research and based on world leading best practice, Anticimex Singapore is pleased to introduce **PYTECH, a Natural Pyrethrum metered Spray**, which provides the Safest and Most Effective Repellent for most types of Flying and Crawling Insects.

Formulated, developed and manufactured by a Leading Australian Laboratory and Registered by The Australian Government's Pesticides and Veterinary Medicines Authority, Anticimex's PYTECH Concentrate is a Natural Planet that creates an Invisible Safe Barrier to Entries such as doors, windows and hallways.

PYTECH will prevent and kill most types of Flying and Crawling Insects, keeping your homes and business safe and free from pests.

For best results, ask your Anticimex's Experts about their Total Insect Protection Program which includes PYTECH and Glue Boards for total safety.

Call us today, we can help you to prevent flying and crawling insects!
